WELCOME

Welcome to the family of Ozark Christian College! This handbook is intended to provide you with information that will help you have a pleasant and successful experience as an Ozark Christian College (OCC) student. Student Life desires to assist you in every way possible. Please keep this handbook for future reference and feel free to contact us if we may help you. You will find our offices in the north wing of the Casteel Administration Building. These policies are subject to change without prior notice.

MISSION STATEMENT

The mission of Ozark Christian College is to train men and women for Christian service through an under-graduate Bible College education.

STUDENT LIFE HANDBOOK POLICY

There are various reasons behind the policies and standards of OCC. These would include:

- Clear and obvious principles of Christian living that are Christ-like, God honoring, and effective in their Christian witness.
- Sensitivity to others in community life. Guidelines that bring order and harmony to our college environment exist for the good of the community and the purpose of our existence.
- Sensitivity to our supporting constituency. As a privately funded Christian college, a significant portion of the operation of the college is underwritten by individuals and churches that believe in OCC and its purpose of training men and women for Christian service.
- Requirements mandated by safety.
- **Policies mandated by law.**

The policies of OCC are not necessarily to be equated with “what it means to be a Christian.” Our aim is to have policies that are practical, safe and God honoring. These policies are written with the purpose of the college and the good of the college community in mind. Students are expected to adhere to the established school standards and policies at all times on and off campus. The college reserves the right to change or modify existing policies or add new guidelines as needed.

If you have any questions regarding the information in this publication, please contact Student Life (417) 626-1231. We will be glad to help you or direct you to the appropriate office or department.

ACADEMIC INFORMATION

Note: The OCC Catalog is the official source of academic information and should be consulted for specific academic inquiries.

ACADEMIC DEAN'S OFFICE

The Academic Dean's office is located in the north wing of the Casteel Administration building. The Academic Dean provides oversight of the faculty and degree programs and is available to assist and guide students as they matriculate through their declared Major. If a student has any questions or concerns relating to a particular class, degree program or professor, they are encouraged to contact the Dean's office (ext 2121).

ACADEMIC INTEGRITY

Due to the commitment of training men and women for Christian service and of educational excellence, academic integrity is our natural expectation. Compelling evidence of academic dishonesty (e.g. cheating or plagiarism) will be reported to the Academic Dean's Office and the Student Development Office. Penalties could range from failure of an assignment to suspension from college. Students should avoid dishonesty and irresponsibility at all costs. Instructors have permission to state additional requirements and definitions in their syllabi as they deem appropriate.

Turnitin Notice

Ozark Christian College contracted with iParadigms, LLC for Turnitin® services to be used at the instructor's discretion. The Originality Check service allows students to submit a paper through Moodle to check for improper citation and potential plagiarism before it is submitted to the instructor. The Peer Review service allows students to submit assignments anonymously to peers for editing and feedback. Students agree that by taking courses, all required papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the Usage Policy posted on the Turnitin.com site.

CLASS ATTENDANCE

Attendance is taken seriously because Christian leaders must be self-disciplined. The student receives a benefit from the discussion, interaction and emphasis of a class session, which she/he can get in no other way

even by additional make-up work. When the student is absent from class, she/he experiences a loss, which may not show up on examinations but is nevertheless real. Roll will be taken in each class.

This general attendance policy applies to all classes. However, faculty members may make specific requirements regarding attendance stated in their course syllabi that students will need to meet (e.g., recording reasons for absences, make-up work for absences, grade penalties, etc.).

The credit hour(s) times two is the maximum absences allowed for any class. Exceeding that limit will mean automatic failure. In cases of extenuating circumstances beyond the student's control, appeal for credit must be made to the faculty committee. This appeal must be in writing, state reasons for the absences and presented to the Assistant Academic Dean before final exams begin for the semester in question. Petition forms are available in the Academic Dean's Office.

CLASS DECORUM

Expect to learn. Learn all you can. Do so by giving strict attention to the professor treating her/him with courtesy and respect. Be punctual. Acceptable classroom attire includes slacks, jeans, capri pants, or modest (no more than 3 inches above the knee) shorts, and casual tops (tank tops are not appropriate). Of course, you may be more "dressy" if you like, but it is not necessary. We do ask that you avoid wearing your "grubbies" to class. Make it your aim to be neat and clean in appearance. Individual professors may have additional decorum requirements for their classroom.

CHAPEL ATTENDANCE

In order to strengthen our relationships with God and with one another, every full-time student at OCC (8 hours plus) and every part-time student who is living on campus is required to attend all scheduled Chapel services (including International Focus Week and the Tuesday of Preaching and Teaching Convention).

Each semester there will be a Pass/Fail grade given to students for their participation based on their attendance record. Students are allowed 4 absences total per semester. After more than 4 absences they will receive a failing grade for Chapel on their transcript.

Attendance will be taken as each student enters the chapel by presenting their student I.D. cards. Attendance will then be tallied electronically. It is the sole responsibility of the student to see that he/she is marked as having attended chapel and to be aware of their own number of absences. In other words, it is not up to the Campus Ministry office to inform a student when he or she has been marked absent or to warn a student if he/she has reached the 4th absence.

Note: If ongoing scheduling conflicts (e.g. work obligations, class at Missouri Southern State University, or other unavoidable circumstances) make attendance impossible, it is the sole responsibility of the student to fill out the [Chapel Exemption Form](#) at the Campus Ministry office within the first two weeks of the semester in order to receive consideration for exemption from this requirement.

CHRISTIAN SERVICE

Serving others is a natural result of our faith. Therefore, in your training for ministry, you must not only commit to academic excellence (head) and character development (heart), but also to selfless acts of service (hands). This is why being regularly involved in Christian Service is a requirement for students at Ozark. Christian Service will help you bridge the information you learn and the skills you develop in the classroom with real-world experience. In addition, you will discover your gifts and passions for future ministry. At Ozark, we not only expect you to learn about servanthood, we expect you to live it.

- ***How can I fulfill this responsibility?***

To maximize your preparation for ministry, the OCC Catalog requires students taking 8 or more credit hours to be actively involved in Christian Service. As a benefit to you, the Christian Service Department can help connect you with a wide variety of opportunities. The Community Volunteer Expo (1st Tuesday of Fall semester), will help you discover places to serve. In addition, each dorm floor has a Christian Service representative (called a "Kenosis" representative) to help you get connected. We understand that many students have limited time due to school work and part-time jobs, so we have put together some suggestions for how much time we think you ought to be spending in Christian Service to adequately prepare for ministry.

Option 1: Three **daylong** or **weekend** experiences (about 1 a month)

Examples: Go on a weekend team trip (prison, missions, drama, music), serve in a weekend ministry (volunteer or paid), be a youth retreat sponsor, help with an all day Red Cross or Boys Club

event, etc.

Option 2: Nine **single** experiences (about 1 every other week)

Examples: Be a Big Brother/Big Sister, rake leaves, watch children for a women's group, serve at a crisis pregnancy center, greet patients at the Community Health Clinic, lead a teen discipleship group, conduct a nursing home worship service, tutor at a school, etc.

Option 3: A mix of **weekend, daylong** and **single** experiences

Option 4: **Weekly** involvement with a Church, Ministry, or Community Organization

At the end of each semester, we want you to report your involvement to the Christian Service Office by filling out a Christian Service Experience Report. We want to know how you are growing and making a difference.

FACULTY ADVISEMENT

Each student is assigned a faculty advisor upon his/her enrollment at OCC. This faculty member will primarily assist you with class selections concerning your academic program and your future ministry. Your advisor will also provide academic encouragement. Typically, you will see your advisor at the mid-term of grading periods and during pre-enrollment; however, feel free to contact him or her at any time.

INTERNSHIPS AND DIRECTED FIELD EXPERIENCE

OCC's Internship and Directed Field Experience Programs are key parts to your academic training for life and ministry. The goal is for you to gain accelerated maturity to maximize your effectiveness in future ministries. These experiences give you opportunities to bridge your classroom learning with the real world before you graduate. The OCC Catalog requires Approved Internships or Directed Field Experiences for most Bachelor's Degree students (see the OCC Catalog for exceptions).

- **What is an Approved Internship for credit?** Internships take place off campus at approved sites such as churches, para-church groups or ministry-related organizations. Once you accumulate 60 credit hours as a student, you can serve in an approved internship for credit towards your degree. You can receive 2 to 8 credits, depending on the internship's length and time requirements. Internships vary from 3 months to a year, or more. As an intern, you will learn and serve under an approved site mentor. Your faculty academic advisor, supervising professor and site mentor work closely with the Director of Internships to maximize your intern experience. All internships and intern sites must be approved by the Director of Internships. OCC's Internship Office will assist you throughout the internship process.
- **What is an Approved Directed Field Experience for credit?** Directed Field Experiences are at least one semester in length and take place off campus. Directed Field Experiences can include weekend ministries or weekly positions in churches, para-church groups or ministry-related organizations. Your Directed Field Experience may focus on preaching, youth, children, small groups, etc. You can receive one credit per semester for a Directed Field Experience if it meets your degree requirements. Students involved in Directed Field Experiences meet weekly as a group with their assigned faculty coordinator. *Note: Approved Directed Field Experience credits can often count towards a degree's internship requirements.*

LEARNING CENTER (LC)

The Learning Center (LC) exists to help all OCC students succeed academically by providing supplementary academic assistance, writing support, resources and special needs accommodation. The LC uses peer tutors for academic assistance and writing support, and both services are free of charge.

The LC also staffs the Testing Center where students can make up tests, quizzes, and memory work (see your course syllabi concerning make up policies and test fees). Hours of operation are posted on the LC's page of the school website, Facebook (The Learning Center at Ozark), and the sign that is outside the LC door in the lower level of the Library. Contact the LC at 417-626-1234 ext. 2725, via email at learningcenter@occ.edu, or in person to schedule a session with a tutor.

LC hours are:

For current hours, please visit the Learning Center's Facebook page (The Learning Center at Ozark), the Learning Center's page on the Ozark website, or the sign that is posted outside the Learning Center door.

LIBRARY (SETH WILSON)

The Library is provided to stimulate your study and research and is a wireless Internet "Hot Spot" also. The courtesy of a quiet attitude at all times benefits the atmosphere and purposes of the Library. Questions about research materials should be directed to the Co-directors or a Library staff member.

A coin-operated copier is available on each level. There are reserved books for specific classes at the circulation desk. The normal checkout period is two weeks with renewals allowed. Fines are 20 cents per day for regular books; unreturned or lost books will incur a replacement fee, a \$10.00 processing charge plus late fees. Unpaid charges will delay or prohibit enrollment and complicate graduation.

Circulation System: The circulation materials from the Library will require the use of your student ID card.

Library hours during the school year are:

Monday	8:00 am - 9:30 pm
Tuesday - Thursday	6:50 am - 9:30 pm
Friday	6:50 am - 6:00 pm
Saturday	9:00 am - 6:00 pm
Sunday	2:00 pm - 5:00 pm

The Library will close for Tuesday Chapel services and Thursday Life Groups, 10:00 – 11:15 am

Audio-Visual Services: The following resources are available for student checkout: Videos, DVDs, Cassettes and CDs. The following A-V equipment is also available for student checkout: VHS and VHS-C camcorders, projection screens, camera tripods, cassette tape recorders, CD players, white boards and easels. Video projectors may be available (see A-V Dept. for details). On-Campus Events messages may be checked out on cassette or CD or purchased for \$2.00 per message. The A-V Dept. also provides laminating and overhead transparency services. (Lamination = \$0.50 per ft. Transparencies = \$0.50 per sheet).

WITHDRAWAL PROCEDURE

If for any reason you need to withdraw from college, your first stop needs to be the Registrar's Office. The Registrar's Office can help you understand and/or begin the withdrawal process. Improper withdrawal may affect your transcript and the refund on tuition, room and dining hall charges.

BEHAVIORAL POLICIES

We care about your character and behavior. The following standards for OCC students will aid in your learning, enhance your witness, and make our environment a more pleasant experience. It is important to remember the primary goal of the college—to train men and women for Christian service. We believe these guidelines are consistent with that goal. Christian leaders must set the most positive example and submit to a higher standard.

A person's style of clothing communicates a great deal about personal values, attitudes and interests. All students are expected to use discretion regarding appearance following biblical and professional principles of modesty. Whether or not they are accurate perceptions, some people will attribute particular character traits to others, simply on the basis of the styles and fashions they see. It is therefore important that the appearance of OCC community members accurately convey the beliefs and values for which this community stands. We desire to honor Christ in all things, even "non-essentials" like dress and fashion styles. Community members are expected to dress in such a way that their witness and Christ-like relationships are not impaired.

APPEARANCE GUIDELINES

Ozark Christian College seeks to foster the practice of responsible Christian freedom. This freedom requires thoughtful, biblically guided choices in every day matters of behavior, and interpersonal relationships.

We recognize that varying standards mixed with different backgrounds and cultures lead to diverse expressions of that freedom. In an attempt to place other's needs before our own, the following community guidelines have been adopted out of respect and courtesy. **All OCC students, including off-campus and married students are to follow these guidelines.**

We acknowledge that our guidelines are not perfect. However they are an attempt to avoid extremes that some might find distracting or offensive and provide some reasonable standards for community life.

We realize that some of these guidelines reflect preferences and opinions and they do not equate with measures of spirituality. However they help us live in community honoring one another in love.

Classroom/Chapel attire includes slacks, jeans, capri pants, or modest shorts (no more than 3" above the knee), and casual tops (tank tops are not appropriate). Of course, you may be more "dressy" if you like, but it is not necessary. We do ask that you avoid wearing your "grubbies" to class. Make it your aim to be neat and clean in appearance. Individual professors may have additional decorum requirements for their classroom.

Dorm attire may be casual and informal but please use Christ-like discretion. Pajamas, yoga pants, sleep pants, bath robes, house slippers, and bare feet are appropriate only in the residence halls.

Formal attire (Banquets: i.e., Convocation, Athletic, and other designated events). Men's attire should include dress shirt with tie, dress slacks and dress shoes. Ladies are also encouraged to wear more formal dress wear for special campus events. Ladies' dresses should emphasize modesty and not sensuality. Strapless, spaghetti straps, deep open backs, low cut fronts and high slits are not appropriate for these occasions. The dress/skirt length should be no shorter than the top of the knee.

Inappropriate public attire includes midriffs, spaghetti straps, low necklines, oversized baggy pants, jeans with holes that are inappropriate in size and location, tight fitting, soiled, torn or worn clothes, clothing with alcohol or tobacco advertisements and short shorts. It is also inappropriate for males to be without shirts on campus (i.e., "shirts & skins" competitions). This list is not intended to be all-inclusive. Questions about appropriate attire may be directed to your RD.

Specific clothing attire:

Athletic attire must be modest: shorts (no more than 3" above the knee), tank tops/sleeveless t-shirts (and open-sided shirts for men) are appropriate for practice or workouts in the weight room, gym or on the athletic field. They are not permitted elsewhere on campus.

Body piercings: Only earrings, small nose stud/ring are permitted. No other body piercings may be displayed, nor is gauging permitted. Although the ultimate responsibility resides with the student, the college strongly recommends consultation with parents or guardians prior to obtaining any piercings.

Dress/skirt length should be no shorter than the top of the knee.

Hair should be neat and clean. Faddish or extreme styles (sculptured hair, spikes, unnatural colors, and multi-colored hair) are not allowed. Facial hair on men should be well groomed.

Hats/Caps are acceptable attire although students are asked to remove them in Chapel services.

Leggings and tights should be worn only under skirts/dresses that meet the length requirement of no shorter than the top of the knee and may not be worn under a shirt or sweater.

Low rise jeans may only be worn when not exposing the midriff or lower back. Jeans that are tight fitting (jeggings) are not appropriate. Jeans with holes that are inappropriate in size and location are unsuitable public attire.

Shorts are to be modest and no more than 3" above the knee in length.

Tank tops are appropriate only when worn underneath another shirt. Women's tops and dresses need to be a minimum of 3 inches in width over the shoulder and cover all undergarment straps. Tank tops, NOT cami's must be worn with sheer fabric tops, so as to meet the requirement of covering all undergarment straps.

Traveling groups/school activities may require additional standards as set forth by sponsors.

*The "Bottom Line": pursue modesty and simplicity. Make it your aim to avoid calling undue attention to yourself through attire, grooming, or personal appearance. Students are expected to adhere to the established school standards and policies at all times on and off campus. Administration, Faculty, Staff, Residence Directors, and Residence Assistants are authorized to monitor appropriate dress. The Student Life Deans will provide appropriate counsel for specific situations when needed.

CAMPING OR OTHER OVERNIGHT SITUATIONS

Camping, spending the night with others at someone's residence, or other overnight situations are not permitted for individuals or groups of opposite gender. If an overnight circumstance involves a mixed gender situation, a sponsor or sponsors approved by Student Life must oversee the activity, and that/those sponsor(s) must be present for the duration of the event. Simply "hanging out" overnight with someone of the opposite sex is strictly prohibited.

DATING/RELATIONSHIP CONDUCT

Men and women are expected to maintain mature, responsible, caring and wholesome relationships. The conduct of couples on and off campus is to be a credit to the Lord and considerate of others dating or not. Students are not to be alone in apartments or houses with members of the opposite sex. Please demonstrate Godly self-control and respect for others as you express your care for one another. Overt public displays of affection are inappropriate.

DRUGS, TOBACCO, ALCOHOL

The purchase, possession, or use of alcohol, illegal drugs or tobacco is prohibited on and off campus. Inappropriate use of over-the-counter and prescription drugs, propellants, or other inhaled substances (Hooka, etc.) is also prohibited.

ENTERTAINMENT

Protect your heart and your Christian example, no obscenity/profanity is permitted in any form of entertainment or speech. Please exercise careful judgment in your choices related to places of entertainment, movies, Internet, television, music, and reading material. Students are not permitted to attend dance clubs, casinos, concerts, bars or parties where alcohol is served.

- **Dancing**

Students must seek approval from the Student Life Deans to sponsor dances on or off campus (appropriate occasions might include weddings, line dancing or other similar activities). OCC students are to exercise Christian discretion in dancing by avoiding erotic, sensual or sexually suggestive dance.

- **Movies**

OCC suggests the Christian on-line movie review service "*PluggedIn.com*." Movies viewed on campus must be rated "G" or "PG," and must be wholesome, God-honoring entertainment.

Special authorization is needed from Student Life to attend midnight movie showings or concert venues that may cause a student to be out past curfew.

DECEMBER

The Christmas Program

The annual Christmas program presented by the Music Department serves as one of the most noteworthy outreach tools to our local community and surrounding four-state area. Choral music, orchestra, drama, lights, and creative innovations combine to tell the story of the birth of Jesus in a compelling way. This program has featured the Living Christmas Tree since its inception in 1984. The program comprises a total of eight performances in five days to nearly 7,000 people!

FEBRUARY

Growing a Healthy Relationship Couples Retreat

An enrichment experience for seriously dating, engaged and married couples that is focused on transforming the “whole” student – spiritually, emotionally and relationally in the context of God and each other. The retreat will help couples learn the knowledge and skills that will increase their ability to build and sustain healthy, satisfying and lifelong marriages. The retreat is offered as a gift to couples as it has been financially underwritten by an anonymous donor.

Preaching-Teaching Convention

This event, held in February each year, features some of the finest preachers and speakers available. This convention hosts the annual alumni banquet and serves as a renewal experience for those attending.

There are numerous school-sponsored trips traveling with faculty or staff members. The Christian Service Office will publicize ministry opportunities for this week.

Spring Production

The Music Department hosts the presentation of a Broadway style musical semi-annually during the spring semester. This program has become a great artistic offering and a major outreach to the Four-State area. The program includes a wide variety of music, media and drama. The production features both choral and instrumental music and offers many additional opportunities for service through the dramatic and technical areas.

Women’s Conference

This gathering, held in April each year, encourages and equips Christian women through worship, teaching and fellowship to know Christ more, to love Him better and to serve Him fully in the home, church and community.

Students may submit the names of ministries and missionaries to be considered for future chapel offerings by contacting the Intercultural Studies Department located in the Missions Building.

PROPERTY INFORMATION

Please observe the property lines of the OCC campus. With your safety in mind and respecting the rights of others, private property and wooded areas beyond OCC boundaries are "off-limits" to our students. Please do not be alone in isolated areas, especially at night. The wooded boundaries and creek area are to be vacated 30 minutes prior to dark. Turkey Creek on the north side of the property will flood and overflow its banks occasionally. When this occurs, no one is to enter the creek or overflow water.

Due to safety concerns skateboarding/longboarding/rollerblading, etc. is not permitted on campus property.

Allowing others to use your ID card is prohibited and will result in disciplinary action for all individuals involved. Replacement ID cards are available in the College Technology Department after paying a \$10.00 fee in the business office.

HEALTH CENTER (RICHARDSON)

OCC's RHC, located in the lower level of the Mabee Student Center, is equipped to provide services to the student body, faculty, staff and their families. Please report to the medical office any trip to the emergency room, hospital admittance, major injury or prolonged illness. (This report may be made through your RD.)

First-aid treatment is available as well as treatment for such things as colds, flu, allergies, etc. Students needing further emergency treatment will be referred to a local hospital and/or physician.

Policies and procedures to be followed:

1. The RHC provides emergency treatment and assists with any medical treatment as needed. Regular office hours are listed below.
2. The nurse assesses each patient's need and recommends further treatment. She may ONLY dispense unit dosage of over-the-counter (OTC) medications if indicated. (OTC medicines do not need a physician's prescription to obtain.)
3. Antibiotics are not available through the nurse, nor are prescriptions.
4. Many OTC medications are sold at the OCC Bookstore. These are pre-packaged, multi-dose containers available to you at a discount. These medications include: Tylenol, aspirin, ibuprofen, cough syrup, sinus and cold tablets, stomach medication, various ointments, eye drops and vitamins. Please let the Bookstore know if you would like to see other brands carried.
5. The nurse will refer all serious medical problems to the nearest hospital or to a qualified physician in the area. It is strongly recommended that all staff and married couples seek a local family doctor. Also, people with special medical problems such as diabetes, heart disease, etc., need to find a local doctor to assist them with treatment.
6. The student is responsible for payment to a local physician or dentist at the time of the visit. Some offices will accept major credit cards. Should the student's insurance cover an office visit, she/he may still be required to pay and then be reimbursed by the insurance. Since illness is seldom planned or expected, it is strongly advised that the students have emergency funds, credit card, or check in case an illness occurs requiring a physician and prescriptions.
7. Allergy injections are not given at the RHC. Names and numbers of allergists are available for the prescribing doctor to call for referral. All other injectables such as vitamin or hormone therapy require a signed order from the doctor prior to the nurse's administration of the medication. This order must include what medication, how much, how often to dispense, and state what emergency treatment to give in case of an allergic reaction. All necessary vials and syringes must be provided by the patient for the nurse's use.
8. See "Medical" under "Facility Related Policies" for appropriate possession of syringes, needles and lancets in the residence halls
9. The service of the RHC is limited to those who are part of the immediate college family including administration, faculty, staff, students and on-campus guests. It is not available to former employees or former students.

The RHC hours are:

Monday through Friday, 11:00 am – 3:00 pm

INTERCULTURAL STUDIES DEPARTMENT

The Intercultural Studies Dept. builds networks by connecting students to the tools, mentors, and environments that will best prepare them for Intercultural, Biblical Justice, Teaching English to Speakers of Other Languages (TESOL) or Bi-Vocational ministries.

Each semester, in addition to the regular courses taught by the IS Department staff, specialized courses are taught by missionaries in residence through OCC's Visiting Professor of Intercultural Studies program. The IS Dept. also connects missionaries to our network by acting as liaison between short and long term ministry opportunities and students.

Our doors remain open every weekday to anyone hoping to think, talk or pray about missions or the movement of the Spirit worldwide. Typically this includes mentoring, networking, counseling, prayer, resources from sending agencies, global mission's organizations, and graduate or continued education opportunities from other colleges or universities.

LOST AND FOUND

Each residence hall will hold its own lost and found items for a reasonable length of time. Items found otherwise may be turned in at the Mabee Student Center. Unclaimed items will be donated or discarded at the end of each semester.

MAIL CENTER

Student mail service is located in the Mabee Student Center. Residential students should make sure that all correspondence is addressed as follows:

Student Name
OCC Box 0000 (mailbox number)
1111 North Main Street
Joplin, MO 64801

All general delivery mail will be delivered to campus mailboxes by noon each weekday. There is no Saturday delivery or pick-up. You may purchase stamps and mail USPS packages through the Mail Center. You will be notified to pick up registered, certified, special delivery, packages, postage due mail, UPS or FedEx packages at the service counter of the Mail Center during regular business hours (the Mail Center will be closed during chapel, Life Groups and from 12:15-1:15 daily). Campus mailboxes may be accessed anytime the Mabee Student Center is open.

Please give the Mail Center a temporary forwarding address (or special instructions regarding mail delivered in your absence) before the beginning of summer break. Also, when you move off campus, please register your change of address with the Mail Center.

The U.S. Post Office policy instructs for first-class mail to be forwarded for one year. After that time, it is returned to the sender for six months with your address change. Magazines/non-first class mail is forwarded for 60 days after which time it is returned to the sender for a limited time depending on the mail piece.

It would be helpful if foreign students could give the Mail Center a USA address, since mail cannot be forwarded to foreign countries.

MUSIC DEPARTMENT

The OCC Music Department provides an extensive range of opportunities in which the student body can participate: choir, orchestra, colossal productions, and personal instruction on piano, voice, and guitar. Student recitals, special concerts, and field trips (opera, jazz, symphony, worship events) transport students to various and different musical settings. Churches throughout the Four-State area are continuously in need and searching for student praise and worship leaders. Contact the Music Department for more information on these exciting opportunities.

RECREATIONAL FACILITIES

Recreation facilities (including OCC property for sledding) are available for use by OCC students, faculty and staff, and their family members and guests. Due to insurance liability, the Athletic Director must authorize use of any OCC recreational facilities by individuals other than those named above. Your cooperation is expected and appreciated.

Outdoor facilities include provision for basketball, soccer, tennis and open field recreation. Indoor facilities include provision for basketball, volleyball, racquetball, walleyball, ping-pong, running, jogging, walking,

They also verify enrollment and good student discounts.

SECURITY

For your safety OCC provides security officers for the campus. DISCIPLINARY POLICIES

Any student not meeting the standard of conduct set forth by OCC will be subject to disciplinary action. The purpose of the college and the concerns of the college family encourage individuals to conduct themselves with Christ-like behavior. When an individual decides his/her interests are greater than the good of the community, disciplinary situations may arise. When discipline is required, every effort will be made to respond in a redemptive way to all concerned. Our desire is to help instill Christ-like conduct and a Christ-like attitude.

Inappropriate and unacceptable behavior that may lead to dismissal, probation, or other discipline, includes but is not limited to:

- Conduct reflecting blatant disregard for the standards, spirit and purpose of Ozark Christian College
- Rebelliousness and/or disregard of college policies
- Physical abuse, verbal abuse, intimidation, threatening or any type of harassment; cursing, vulgarity or other inappropriate use of language; and any illegal, obscene, indecent or disrespectful conduct
- Any form of dishonesty, false, misleading information, lying, misrepresentation, fraud, plagiarism or academic cheating
- Purchase, possession, or use of pornography, alcohol, tobacco or illegal drugs

- Possession of fireworks, firearms or other weapons on campus
- Inappropriate use of a computer, the OCC Network or a violation of the OCC Internet Acceptable Use Policy

- Destruction of property or vandalism
- Inducing others to commit any of the acts prohibited above

When disciplinary situations arise, a student may be subject to **any of the following disciplinary actions** as deemed appropriate by the Student Dean(s):

- A. A meeting with one or both of the Student Deans to determine the specific problem. The situation may be resolved through counsel and/or appropriate disciplinary action. A student may be given the opportunity to enter into a ***Disciplinary Contract***. This agreement identifies the unacceptable behavior, prescribes obligations on the part of the student, and includes specific consequences if the agreement is not kept.
- B. A student may be placed on ***Disciplinary Probation*** which will involve a period of examination and evaluation to determine a student's status; and whether the student will be permitted to continue as a student. The length of a Disciplinary Probation may vary and will require the student to forfeit any awards received through institutional scholarships or grants such as the Trustee's Scholarship, Dean's Scholarship, President's Scholarship, Harvester Scholarship or International Student Grant. The student will not be able to represent the college in extracurricular activities such as athletics, performing arts, or traveling groups.
- C. A ***Conference Call*** to parents or legal guardians may be enlisted to help resolve difficulties regarding the problem and possible solutions.
- D. A meeting with the ***Discipline Committee***. This committee is composed of a group of faculty members, administrators and a student representative. The committee is convened when deemed appropriate by the Student Dean(s). The following procedures will apply when the Discipline Committee convenes:

1. A written statement specifying the standard of conduct violated will be made available to the student.
2. The student may review in advance the information to be submitted to the discipline committee for the meeting. The Student Dean(s) should be contacted for such information.
3. The student has the right to hear and respond to all information presented at the meeting; however the student may not be accompanied by a parent, another student, or any other person unless the Dean of Students is notified, in writing, in advance of the meeting. In the event the student is accompanied by another person, this person will not be allowed to have input.
4. Determination of the facts related to the situation will be based solely on the information presented at the meeting.
5. The Discipline Committee shall have the authority to impose any appropriate disciplinary measure.
6. Typically, the Discipline Committee will excuse the student from the meeting and arrive at a decision in the same meeting. The student will return to the meeting and be informed of the decision. This will be followed with written notification as well. In the event the committee does not communicate a decision directly to the student at the meeting, the Student Dean(s) will notify the student of the final decision in person, if possible, and in writing.

Appeal of any final decision of the Discipline Committee may be made in writing to the President's Office within two business days of the notification of the decision.

- E. If the situation requires, the student may be dismissed from college and will no longer be able to continue as a student. When dismissal is imposed, an appeal for reinstatement may be made, in writing, to the President's Office. It would be important that any appeal be made within two business days in view of attendance policies. Students dismissed during the first eleven weeks will receive a "W" (withdrew) on his/her transcript. After the eleventh week of school, the grade will be an "F" (OCC catalog). (A student may be granted appropriate credit for courses that were successfully completed prior to the dismissal).

Special Circumstances

Occasionally a student is unable to function in the college environment. Examples would include:

- Mental health issues
- Inability to conform to OCC attendance policy or any other OCC policy
- Extreme anti-social behavior
- Personal problems or any other behavior which threatens the emotional, spiritual or physical well being of the student or others.

The situation will be evaluated by the Student Dean(s) or any other professionals as deemed necessary. If a student is determined to be unable to function in the college environment, the Student Dean(s) will assist the student in the withdrawal process. Typically parents or guardians will be contacted for assistance. As an institution of higher education OCC is not able to provide ongoing therapeutic treatment for the types of issues.

EMERGENCY GUIDELINES

Below are instructions regarding how to respond in the event of a fire or tornado.

FIRE

Any individual that discovers a fire must activate manual pull alarms which are located throughout the buildings. Activating one pull alarm will sound all alarms within the building.

After activation of the fire alarms, the individual must then notify the appropriate authorities as to the location of the fire by dialing 911 (7-911 from a campus phone) [see 911 Emergency Plan page in the flip chart located in each building]. The Physical Plant Director must be notified as well at 417-850-4914 or ext. 2201.

Upon hearing alarms, all occupants of the building must proceed to approved evacuation exits as instructed on the emergency exit maps located inside the building.

OCC personnel may check the building to see that all occupants have evacuated the building.

After above steps have been accomplished, personnel may attempt to extinguish the fire, if safe to do so, with portable extinguishers located throughout the buildings.

The Physical Plant Director will notify the Vice President of Student Life about the emergency. No one is to reenter the building until the Physical Plant Director or fire department gives the all clear.

TORNADO/SEVERE WEATHER

Tornado Watch - A report issued to alert persons to the possibility of a tornado development in a specified area, for a specified period of time.

Tornado Warning - A report issued when a tornado or funnel cloud has actually been sighted in the area or indicated by radar. Warnings indicate the location of the tornado at the time of detection, the area through which it is expected to move, and the time period during which the tornado will move through the area warned.

I. In the event of a tornado watch, the following guidelines will be followed:

A. During School Hours

1. Notification will be made to the following:

- a. The office of the Vice President of Student Life
- b. The Physical Plant Director

2. During a tornado watch, normal routine will not be interrupted unless a tornado warning is issued.

3. **Physical Plant Personnel should unlock shelters during a watch in the event a warning is issued.**

B. After Hours

1. Notification will normally be received by Security Personnel through weather radios. A Security Officer will notify the following:

- a. The Residence Directors
- b. The Physical Plant Director
- c. The Vice President of Student Life

2. Personnel will prepare to implement procedures to be followed in Section II of this plan in case a tornado warning is issued.

II. In the event of a tornado warning, an alert siren will sound for 3 minutes. The alert will consist of a loud, steady tone city-wide. The guidelines listed below are to be followed:

A. During School Hours

1. Notification will be made immediately as listed in I-A-1.

2. The following information should be obtained via weather radios by RD & other personnel.

- a. Location of the tornado at time of detection
- b. The area through which it is expected to move
- c. The time period during which tornado will move through the area warned is 7–10 minutes before the storm hits

NOTE: It is not possible to predict the exact time a tornado will strike or its exact path. The average speed of a tornado is approximately 40 mph.

3. The following personnel will take the listed action.

When a tornado warning alert sounds:

a. The Physical Plant Director or staff will:

- 1.) Dispatch personnel to pre-designated areas of responsibility to make notification to evacuate space and proceed to assigned shelters.
- 2.) Insure that a check is made after initial notification to evacuate to shelter areas, to insure no classroom areas were missed.
- 3.) Obtain emergency radio equipment from Physical Plant Department Office.

b. The Vice President of Student Life or staff will direct people to nearest storm shelters designated by maps.

- c. Upon receipt of evacuation notification or sounding of alert siren, Faculty members will:
 - 1.) Immediately dismiss class and instruct students to evacuate to shelter areas in the building in which they are located.
 - 2.) Turn off all lights and electrical equipment in your classroom.
 - 3.) Insure all students proceed in a calm, orderly, but quick manner.
 - 4.) Report to one of the shelter areas diagrammed in this plan.
- d. Upon release from classroom by professor, students will:
 - 1.) Proceed to shelter areas by the closest evacuation routes.
 - 2.) Move quickly but orderly and quietly so that all might arrive to shelter areas with a minimum of confusion and maximum safety.
 - 3.) Take a seat on the floor of your assigned shelter area. Protect your head with arms and hands.
 - 4.) Remain in shelter areas until all clear is declared.
- e. Upon receipt of evacuation notification, staff will:
 - 1.) Proceed to shelter areas by the closest evacuation routes.
 - 2.) Move quickly but orderly and quietly so that all might arrive to shelter areas with a minimum of confusion and maximum safety.
 - 3.) Take a seat on the floor of your assigned shelter area. Protect your head with arms and hands.
 - 4.) Remain in shelter areas until all clear is declared.

B. After Hours

- 1. Notifications will be made immediately as listed in I-B-1.
- 2. Students are advised to report to shelter areas immediately.
- 3. Safety procedures will remain the same.

NOTE: No one is to re-enter a building until the all clear has been given by the Physical Plant Director or Security.

III. Shelter Areas

A. Students living in dormitories on campus.

- 1. Shelter areas are indicated on the first floor of the dormitory in which the student is presently living. See diagrammed shelter areas for proper areas and exceptions.
- 2. Once inside the shelter area, students should protect their heads. Move as close together as possible to allow for others to enter the shelter area.
- 3. Dorm supervisors will insure that all doorways are closed, but not locked after all students have entered.

B. Off-campus students, faculty/staff and guests.

- 1. Proceed to the closest shelter available at the time of the alert
- 2. Do not attempt to reach your home while driving your automobile. Instruct your family what to do in case of a tornado.

Report only to the closest shelter area.

C. If a shelter area cannot be reached, take cover in a low area. If possible, place yourself under a piece of heavy furniture such as a table or an office desk.

NOTE: Shelter areas will always depend on your location at the time of the alert. Do not attempt to go across the campus to get to a certain shelter. Take shelter quickly.

IV. Trouble Areas/Places to Avoid

- A. Avoid Turkey Creek. Although low areas and ditches are good protection, flash floods often accompany tornadoes.

- B. Do not take shelter in parked vehicles.
- C. Avoid high stairwells, and rooms or hallways with windows or high voltage equipment.
- D. If injury does occur during an emergency situation, await the all clear, and then immediately call for assistance. However, be extremely careful in stepping on debris. There may be live wires in the rubble that could cause electrocution if stepped on.
- E. If a storm were to hit at night, and you are uninjured or only slightly injured, do not attempt to walk out of rubble if the possibility of further injury is present (i.e. gas leaks, etc.). Wait for assistance with light to help in getting you out of hazardous areas.

V. Special Conditions/Circumstances

- A. **Dining Hall** - If a storm alert were to occur while the dining hall was occupied, the following procedures are to be utilized:
 - 1. All occupants of the dining hall are to proceed quickly and orderly to the hallway between the gymnasium and the dining hall.
 - 2. As many as possible are to occupy the offices, storage rooms, bathrooms, and locker rooms. These areas have been determined to be primary shelter areas and are relatively safe.
 - 3. Anyone left in the dining hall should squeeze as closely as possible into the hallway. Dining tables can be utilized to hide under and as barricades for protection from broken glass. Stay away from glassed-in areas.
- B. **Multi-Purpose Building** - There is a very limited amount of shelter space available in the Multi-Purpose Building should a severe storm hit. The shelter areas are listed as: under the blue stadium seats-north side, shower rooms in locker rooms, gym-floor level hallway, southeast corner.
- C. **Chapel** - If a storm alert were to occur while the chapel was heavily occupied, the following procedures are to be utilized:
 - 1. All occupants of the chapel are to proceed quickly and orderly to the basement of the Chapel.
 - 2. As many as possible are to occupy the classrooms, offices, storage rooms, and bathrooms. These areas have been determined to be primary shelter areas and are relatively safe.
 - 3. Classroom and office desks and tables can be utilized to hide under and as barricades for protection from broken glass.

 - d. Grievances concerning an administrator other than the president shall be submitted to the president; and
 - e. Grievances concerning the president shall be submitted to the Trustee board chairman.

**HARMFUL BEHAVIOR/SUICIDE PREVENTION
AWARENESS**

Ozark Christian College seeks to enhance student welfare by offering basic suicide prevention awareness to staff and students. This includes awareness about potential suicidal behavior among students and offering training on the detection, identification and referral of individuals who may be at risk for suicidal behavior. A suicide threat is defined as any spoken, written or behavioral indication of self-destructive tendencies with the intent of taking one's own life. Anyone who becomes aware of a suicide threat or gesture, whether written, verbal or behavioral, should immediately contact the Crisis Intervention Services at the Ozark Center (417-347-7720 or 800-247-0661) and notify Student Life (417-626-1231).

HARASSMENT AND SEXUAL ASSAULT POLICY

Ozark is committed to maintaining an environment in which all individuals treat each other with dignity and respect and which is free from all forms of intimidation, exploitation and harassment, including sexual harassment and sexual assault. Any form of harassment, sexual harassment or sexual assault is absolutely prohibited. Anyone who violates this policy will be subject to discipline, up to and including termination.

Harassment, including sexual harassment, includes unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a nature that denigrates or shows hostility or aversion toward an individual because of his/her race, color, national origin, gender, disability or age.

Sexual assault is an extreme form of sexual harassment and is defined as a situation in which an individual is forced, threatened or coerced into sexual contact against his or her free will or without his or her consent.

Sexual assault may include date or acquaintance rape, sexual molestation, unwanted sexual touching or having sexual contact with a person while knowing or having reason to know that the person is incapacitated in some way.

Any person who has been a victim of a sexual assault should, as soon as possible:

- Seek medical attention immediately. Do not bathe, change clothes or do anything that may interfere with the collection of evidence which can be helpful in proving that a sexual assault occurred.
- Seek counseling and support services.
- Notify the OCC Student Development Office. Every effort shall be made to ensure the privacy and confidentiality of the victim and the accused both during and after any investigative and adjudicative process.
- Keep a journal. Write down the events of the assault including the date, time and chronology. If there are witnesses or people who have information about the assault, write down their names in your journal. Preserve any harassing letters, messages or e-mails as evidence.
- You may decide to proceed with a criminal investigation or a civil lawsuit. You do not have to choose one option over another - all are available to you and you may pursue more than one. You may request college personnel to help you contact local law enforcement to file a report.

Individuals who have been subjected to harassment, sexual harassment or sexual assault should file a written complaint immediately in accordance with the Grievance Policy of the college. Any person determined to be responsible for harassment, sexual harassment or sexual assault will be subject to appropriate disciplinary action, up to and including immediate dismissal or termination. The college strongly encourages individuals to report all incidents immediately so that complaints can be investigated in a timely manner.

UNAUTHORIZED FILE SHARING

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at up to \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the Web site of the U.S. Copyright Office at www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq.

Students who engage in illegal downloading or unauthorized file sharing of copyrighted materials, including distri-

bution of music and movies to others through the College's information technology system, will be subject to disciplinary sanctions under the Student Life Handbook, including suspension and dismissal from the College. Employees who engage in unauthorized downloading or file sharing of copyrighted works also will be subject to appropriate disciplinary action by the College. While the College takes disciplinary action against those who violate copyright law and employs a variety of technology-based deterrents to prevent or reduce such illegal acts, each member of the Ozark community is responsible for complying with laws and policies of use of electronic resources and intellectual property. The College Technology Department may disclose network usage and other information to legitimate law enforcement agencies or monitoring entities.

The College allows downloading of copyrighted material through recognized channels such as Amazon.com, iTunes, and other legal alternatives. A link to legal sources of online content is provided by EDUCAUSE <http://www.educause.edu/legalcontent>.

INVOLVEMENT OPPORTUNITIES

ATHLETICS

Intramural Sports

Intramural sports include basketball, volleyball and ultimate frisbee on demand. The Athletic Department announces sign-up requirements for participation in these programs each semester. Each program includes a regular schedule.

Varsity Sports

OCC participates in inter-collegiate volleyball for women, basketball for both men and women and baseball for men. There are specific academic, health, insurance and conduct requirements for all student athletes. Those interested in these programs may obtain more information from the Athletic Director.

KERUSSO

The greek word for "proclaim or preach" is Kerusso (see 2 Tim 4:2). This also serves as the name of our on-campus fellowship for OCC Preaching Majors and students of preaching. Our purpose as a Preaching Department is to help our preaching students become the very best preachers they can be. One of the ways we attempt to do this is by providing life-long relationships with mentors and peers through our Kerusso events. At various times throughout the semester we meet for times of fellowship and inspiration (and eating). During those times students have the opportunity to connect with the Preaching Faculty, area preachers, and fellow preaching students. Kerusso also sponsors a number of on-campus events aimed at promoting the cause of preaching among our student body.

MUSIC OPPORTUNITIES

OCC's traveling music team, Frontline, leads worship at youth conferences, churches, and conventions across the country throughout the school year. This auditioned group is known for its contemporary sound, musical excellence and authentic worship leadership, providing an opportunity for students to grow in musical and leadership skills while serving the church.

STUDENT GOVERNMENT COUNCIL (SRC)

Ultimately college policies and programs are determined by the college administration. The Student Government Council exists to facilitate good representation and communication of student suggestions regarding college/campus life.

STUDENT MISSIONS ACTIVITIES

Check out a few of the ways you can get involved in kingdom work around the globe!

Guests on Campus - Quite a few missionaries and representatives from missions organizations visit our campus in a given semester. They speak in classes, host events and connect students with short and long term opportunities.

International Conference On Missions – The ICOM is an annual conference focused on the Great Commission. The Intercultural Studies Department arranges registration, travel and housing for the OCC family. Students also have the opportunity to take the conference for seminar credit.

International Focus Week – This week includes main sessions and special events that focus our attention on God's heart for the nations. Many students get involved in planning each year and help to make it a meaningful experience for the entire campus.

Summer Internships and Mission Trips - Many students, faculty and staff dedicate a portion of their summer break to serving overseas. Each Spring a Summer Prayer Guide is distributed to the OCC family so we can be praying for each other and the map displayed in the Missions Building lobby is a visual reminder of our travels.

Week of Evangelism Trips – During spring break many students travel to other cities and countries to serve alongside kingdom workers around the globe.

JOB OPPORTUNITIES

STUDENT EMPLOYMENT

On-Campus

Ozark Christian College is pleased to offer you opportunities to work on campus. Many jobs that do not require a full-time employee are available. It is helpful to us to have students fill these jobs. Our students are usually dedicated and hard workers.

OCC isn't the only one that gains from this arrangement. Advantages to our students include the convenience of working on campus, which saves time and expense in travel, and our willingness to work around your class schedules. Christian co-workers create a spiritual work atmosphere. You will receive a salary of \$7.50 per hour; however, the college is not required to withhold FICA while classes are in session for students taking a course load of six hours or more. Off-campus employment is required to withhold FICA; therefore you would need to earn about \$8.15 per hour to equal the same amount on your paycheck in comparison to employment at OCC.

This program is designed to help you pay for your education. When you collect your paycheck in the Business Office, you may make a payment on your account at that time. (The Business Office will cash student paychecks if 50% or more of the paycheck is applied to your account.) This arrangement is an advantage to both you and the college because your account gets paid as quickly as possible and important work for the college is accomplished.

Students applying for a job must first fill out a Student Employment [Application](#) (available from the Business Office) and then either mail or personally deliver a copy to each department that you are interested in working for. You may follow up with a telephone call or letter showing your interest. Following is a list of departments and department heads on campus.

If hired, Federal regulations require you to complete payroll paperwork available in the Business Office. This must be done before employment begins. Identification verification from the student employee is required for this paperwork. The most common forms of ID are (but not limited to) a Passport or a valid driver's license and an original social security card.

Off-Campus

Off-campus job opportunity postings are in the Mabee Student Center, Library and Student Life. General information is provided to help students needing employment.

However, you have the opportunity to be employed by OCC, through the Admissions Department by being hired as a Student Ambassador and/or on a Camp Team.

Student Ambassadors work in the Admissions Department during the school year either as an Admissions Counselors or Campus Hosts. Admissions Counselors contact prospective students on the phone while Campus Hosts host prospective students on campus tours. Both positions represent OCC by traveling to churches, conventions, and college fairs. Student Ambassador Interviews are held in April.

Camp Teams consist of 4 students that travel during the summer months to serve at camps, and CIY conferences ministering to teens. Camp Team members receive a stipend each week they travel as well as a salary that is applied to the student's school bill. Camp Team interviews are held in January,

To find out more information about these opportunities including interview dates visit contact the Admissions Department at recruitment@OCC.edu or extension 2034.

RESIDENCE HALL LIFE

HOUSING

Residence Assistants

Each residence hall is assigned students to serve as Residence Assistants (RA's). The responsibility of the RA is to lead residents in developing an atmosphere that will help students in spiritual, academic, and social growth. As representatives of Student Life, they are also entrusted with the responsibility to see that all policies concerning housing and conduct are maintained. As mentors, encouragers, peer counselors, and organizers of residence hall activities, the RAs are a vital element of the residence life program.

Residence Directors

Residence halls are under the direction of Residence Directors (RDs) who assist students, supervise activities, maintain the standards of the college and create a family environment. RDs are directly responsible for the Residence Assistants in their residence hall.

Room Assignments

You may request to live in the hall and room of your choice; hall and roommate preferences by applicant will be considered but not guaranteed. Late arrival may result in forfeiture of a room assignment. According to the housing contract, the college reserves the right at any time to change room assignments and roommates. Room changes may be requested through RDs during the first two weeks of classes. Following that time, room changes may be made through your RDs only after paying a \$50.00 cash fee in the business office.

All first semester freshmen are assigned a roommate. Single rooms may be requested by juniors and seniors for an additional fee and are subject to availability. A student requesting a single room is required to sign an agreement accepting responsibility for a single room fee. If during the semester you desire authorization to move out of your residence hall, inform your RD and seek approval and proper documentation from Student Life.

Before seeking off-campus housing (after being a dorm resident) you must inform your RD and seek approval and proper documentation from Student Life.

Please note: Unassigned rooms are not available for student usage.

Single Students

A student enrolled in eight (8) or more credit hours of classes is required to live in a residence hall. Exceptions to this policy may be granted by Student Life in the following instances:

1. When a student will be living with his/her immediate family which provides a guardian relationship;
2. When a student has completed 90 credit hours (senior status);
3. When a student will be twenty-three (23) years of age or older prior to the upcoming semester;
4. When a student has already lived in a residence hall seven semesters;
5. When an engaged student plans to be married during an upcoming semester, a housing exception may be granted to secure the couple's first residence. Only one exception per couple will be allowed. Couples marrying during the summer must be married by the 2nd week of June to qualify for the exception.

Before seeking off-campus housing, students need to secure approval and proper documentation from Student Life. Any student moving out of a residence hall, must also inform their RD.

All off-campus students are expected to adhere to OCC behavioral policies or they may forfeit the privilege of off-campus housing. Housing exceptions may not be granted to students on academic or disciplinary probation. Housing exceptions will not be granted solely for financial reasons.

A student enrolled in seven (7) credit hours or less must live off campus unless he/she is enrolled in the OCC/MSSU co-op program. Otherwise, in order to live in the residence halls, special approval from Student Life is required. Being housed in a residence hall is a privilege. A student is expected to adhere to OCC policies, treat college personnel respectfully, and make a positive contribution to residence hall life. In any case where these goals are not accomplished, a student may forfeit the privilege of residence hall housing. In such cases, the student will need to drop under an eight-hour class load.

Spiritual Life

Opportunities for spiritual growth are plentiful on the OCC campus. Examples in each residence hall include: mentoring, hall devotions, floor devotions, etc.

HOUSING POLICIES

Access

Primary doors (lobby doors) of all residence halls are equipped with card readers. Residents of each hall may gain access through these card reader doors with the use of their student ID cards. Access may be gained through card reader doors at all times. After curfew, in cases of a card malfunction, a security officer may be contacted for entry at 417-825-5397 or by using the pager located next to the book drop at the front of the library. You will be asked to show your student ID at such times. All secondary doors (non-lobby exits) are equipped with safety alarms. Your RD will provide information regarding hall specific guidelines for secondary door usage.

*See Vacating and Re-entry section for more information.

Candles and Incense

Due to fire codes, and in the interest of safety, electric candle warmers, candles (including the wickless variety), incense or any other flames are not permitted in residents' rooms.

Cleaning

Housekeeping is provided for you in the hallways, bathrooms and lobbies to help insure a high standard of health and sanitation. You are expected to empty your own trash on a regular basis (trash-can liners are required but not provided). If at any time there is need for repair or maintenance in your room or residence hall, please inform an RA or your RD.

Computers and Internet

Students are encouraged to have personal computers in their rooms. The college has a required Internet service package that is both inexpensive and filtered. Although the campus has wireless capabilities, Ethernet connections are recommended in the student rooms. Please remember your environment and why you are here. No unwholesome use of computers or the Internet will be tolerated. It is the student's responsibility to adhere to the following OCC Internet Acceptable Use policy.

Cooking

Fire codes prohibit the use of cooking appliances in the residence halls with the exception of small coffee-makers in the residents' rooms, hot pots and blenders in the laundry rooms. A microwave and refrigerator are provided in each hall for your convenience.

Curfew

Monday, Tuesday, Wednesday	12:00	am
Thursday*	10:00	pm
Friday, Saturday, Sunday	1:00	am

*Thursdays are reserved for devotions and meetings.

Special authorization is needed from Student Life to attend midnight movie showings or concert venues that may cause a student to be out past curfew.

Off campus students or other residence hall guests must vacate the residence hall and campus at curfew unless pre-approved by the RD.

Fire Safety Guidelines and Prohibition

- Nothing may be hung from or attached to ceilings or other horizontal surfaces above the head.
- Nothing may be hung or draped over electrical outlets, smoke detectors, lamps, or other items with the potential to ignite the item through excessive heat exposure.
- Electrical outlets and extension cords may not be overloaded.
- All extension cords must be UL (Underwriter Laboratory) certified and should not run across open areas of the floor.
- Surge protectors should be UL approved. Instead of extension cords, use surge protectors for multiple plugs. Surge protectors should not be linked to other surge protectors or be placed underneath carpets.
- Electric candle warmers, candles (including the wickless variety), incense or any other flames are prohibited in residence hall rooms or common areas. Evidence of violations will result in disciplinary action.
- The use of halogen and goose neck lamps with plastic shades are prohibited in residence hall rooms or common areas. Having such lamps will result in disciplinary action and immediate removal of the lamp.
- The use of cooking appliances in the residence halls are prohibited with the following exceptions: small coffeemakers in the residents' rooms, hot pots and blenders in the laundry rooms.
- Ironing is not permitted in residents' rooms. Ironing boards are provided in each hall's laundry room. Students are responsible for providing their own automatic shut-off iron.
- No flammable materials or equipment that contains flammable materials (such as camping stoves, lanterns, etc.) may be stored in residence halls.
- Live Christmas trees are not allowed in residence halls. Residence Life staff in each building will provide guidelines for holiday decorations to residents.
- Keep room clear of fire hazards that are created through the accumulation of potentially flammable materials such as newspapers, magazines, boxes, etc.
- SMOKING is not permitted in any residence hall.
- Fireworks, flammable liquids or other hazardous materials are not permitted in Residence Halls. Tampering with fire alarms, or fire protection systems or deliberately causing a false fire alarm are violations of the student conduct code and students found responsible are subject to strict sanctions.

Food

Snacks or any food items in your room should be stored in airtight containers. Any orders for food delivery (e.g., pizza) must be planned so that deliveries can be made prior to curfew.

Note: No food or drink is to be taken from the dining hall to stock in-room or residence hall's refrigerators.

Furnishings

Air-conditioned rooms are furnished with single beds, closets, bookshelves, desks, wastebasket, blinds, and chair (students with their own desk chair should return furnished chairs to their RD for storage). You will need to supply linens, mattress covers, blankets and bedspreads. We suggest you bring a laundry hamper. If curtains are desired you will need to provide your own spring rod(s). Doors are to remain on closets and no alterations are to be made to the room that involves removal of any bolts or hardware. All furnished equipment with the exception of the desk chair must remain in the room. Extra mattresses must remain in vacant rooms for guests.

In an effort to help prevent unnecessary damage to the existing room cabinetry and bookshelves, no fabricating of shelving (large boards) is allowed over the door or across the windows.

Ironing

Due to fire codes, and in the interest of safety, ironing is not permitted in residents' rooms. Ironing boards are provided in each hall's laundry room. Students are responsible for providing their own automatic shut-off iron.

Keys

One room key is assigned per resident. Students are not permitted to duplicate keys. Moving from campus without returning a room key will result in a \$25 charge.

Lamps

Due to high heat, halogen and goose neck lamps with plastic shades are prohibited in the residence halls. Students should never drape clothes or any other items over any lamps. Lamps should never be placed closer than two feet to the ceiling, shelves, or any other fixtures.

Christmas lights and Christmas décor in the residence halls are permitted for seasonal use only (not before November 1st and removed before leaving for semester break).

Laundry

Coin-operated washers and dryers are available in each hall. These are for use of the hall residents' only. Any equipment failure should be reported to your RD immediately.

Lobbies

Lobby hours are 12:00 pm (noon) until fifteen (15) minutes before curfew. All guests must leave the lobby at that time. Guests of the opposite gender may only visit the lobbies of the halls. During finals week lobby hours may be adjusted.

Please help take care of lobby furnishings. This is your home away from home; it is important to maintain a clean, well-kept lobby area for the use of residents and guests.

Medical – Possession of Syringes, Needles & Lancets in the Residence Halls

In order to comply with government regulations and to protect our janitorial staff and the individual's roommate all syringes, needles, lancets, or any other "sharps," as well as medication vials, etc. are considered hazardous waste and must be disposed of accordingly. ***Any student who has syringes and needles, lancets, or any other "sharps" must report to the Richardson Health Center (RHC) in person within 48 hours of arriving on campus.***

No one may have any syringes or needles or injectable medications on campus without a prescription from a licensed physician. Diabetics, hemophiliacs, those with injectable migraine medications, etc. will be given instructions on how to dispose of their used equipment while they are living on campus. Anyone having syringes, needles, lancets, or any other "sharps" must have an appropriate container for their disposal from the RHC and must dispose of the "sharps" and the container through the RHC. Filled containers may be exchanged for new ones at the RHC. All containers must be hand-delivered in person to the RHC, for disposal when the student leaves campus at the end of the semester. Containers may not be left in or by the trash cans.

Open House

Each residence hall customarily hosts an annual Open House when guests are welcome to tour the residence hall and visit student rooms. Hall and room visits are also permitted during scheduled hospitality nights.

Overnight Guests

All overnight guest arrangements must be pre-approved with your RD. A fee of \$10.00 per night will need to be paid to the business office prior to any overnight stay. Exceptions to this fee are immediate family and OCC alumni. The hosting student is responsible for the guest's awareness and adherence of campus policies. No guests of the opposite gender will be allowed to stay in a dorm room. Overnight guests must be at least 12 years old. Student Life approval must be obtained for guests staying more than three nights. If a student desires to spend the night in another residence hall, the RD in both halls must be notified before 10:00 pm

Personal Property

Please take proper precautions with your money and valuables. Lock your room when you leave it. Never enter another student's room without permission. Although the college cannot be responsible for personal losses, please report any missing articles to your RD immediately so a security report can be filed. You may want to obtain renter's insurance for your possessions.

Pets

No pets of any kind are permitted in the residence halls, including aquarium animals.

Quiet Hours

Quiet hours in the residence halls begin at 10:00 pm. Music and noise levels need to lessen at this time for the purposes of rest and study.

Refrigerators

You may have one small student provided refrigerator per room in the residence halls. These refrigerators must not exceed the following specifications: **Capacity: 3.6 cubic feet; Electric: 1.1 amps, 120 volt;** a three-pronged plug must be used; **no extension cords or plug adapters may be used.**

All upkeep and maintenance of these refrigerators is the responsibility of the student. Federal laws concerning refrigerants mandate that only trained service personnel are qualified to repair the refrigerators.

Note: No food or drink is to be taken from the dining hall to stock in-room or residence hall's refrigerators.

Residence Hall Community Fund

As a member of a residence hall, students will be asked to contribute to residence hall funds each academic year. This money is used to purchase hall and social supplies.

Room Checks

For the purpose of living together in neat and orderly surroundings, residents are responsible for cleaning and vacuuming their own rooms. Rooms are checked weekly by an RA or an RD.

Room Deposit

At the time of enrollment, a \$75.00 fee is charged to each resident as a room deposit. Each room is checked for damages and for cleanliness at the time the student moves out. The room deposit will be returned to the student less the cost of repairs and cleaning necessary. It is possible to incur further charges if damages exceed the \$75.00 room deposit fee.

Sign-Out System

On-campus residents are required to spend the night in their residence hall on school nights (Monday-Thursday). If you will be gone overnight on a school night, you must obtain authorization in advance from your RD. If you will be gone overnight on a weekend, you must "sign-out" according to the system in place in your hall. The "sign-out" system provides for communication in the event of an emergency. Failure to follow proper "sign-out" procedures may result in disciplinary action. Please turn off the air conditioners, lights, electronics, etc. and adjust the heating thermostat when leaving on weekends or vacation breaks.

Soliciting/Private Business

Salespersons and solicitors are not permitted to conduct business anywhere on campus. This consists of any kind of student-operated businesses including babysitting/childcare, multi-level marketing, etc.

Storage

Some storage is available in the residence halls as a courtesy to you. Please take the following steps to make this service work effectively:

Regular Storage: Every effort is made to provide each student a storage bin during the school year. Please fill out a "Request for Storage" form if you desire one. This form may be obtained from your RD. Bins are assigned by availability.

Summer Storage: If you need summer storage, please fill out a "Request for Summer Storage" form available from your RD. You must have a room reservation for the next fall semester to obtain summer storage.

Please read the following stipulations regarding storage:

- Items are stored at the student's own risk. OCC is not liable for theft, damage, or loss of any items.
- Bins must be labeled with names. Items not properly labeled or abandoned may be discarded as the residence halls close for the summer.
- You should secure your storage bin with a lock. It is a good idea to make an inventory of your stored items for your own records. In the event of a loss, your renters/homeowners insurance may provide coverage.
- Due to fire codes, stored items must be inside the assigned bins. Bins must be labeled with names. No

flammable or combustible materials shall be stored.

Any questions regarding storage may be addressed to your RD or Student Life.

Telephones

Courtesy phones are located in the Mabee Student Center, the northeast corner of the Multi-Purpose Building (MPB), the first floor of the Chapel, the upstairs of the Dining Hall, the Admissions lobby in the Casteel Administration Building, the second floor hallway of the Missions Building and in the Library foyer.

TV, Video Viewing and Video or Computer Gaming

Televisions and DVD players are permitted in the residence's rooms although cable or satellite connections are not provided or allowed.

Antennas, or other items used to enhance TV reception, may not be placed on the exterior of the residence hall. Due to space limitations we suggest TVs be no larger than 32 inches. TVs are provided in each lobby for student use and guidelines are listed in the "Entertainment" section of this handbook. Movies viewed in the rooms will be under the same guidelines as dorm lobby movies.

Students are to use discretion in choosing appropriate video games. Video gaming on campus is a privilege that may be withdrawn from individuals for whom such gaming may affect class attendance, academic success, or social interaction with others. Students are encouraged to learn the value of budgeting time and living in mutual respect with those around them. Wholesome and disciplined use of media technology is imperative and a mark of accelerated maturity.

Vacating & Re-Entry

At the close of each semester, students must vacate the residence halls by the announced closing date and time. Students failing to vacate by the deadline will pay a late vacating fee. Unauthorized late exit or early re-entry will result in a minimum charge of \$25. Residence halls are closed to students during holiday/vacation breaks. Students who desire to remain in the area will be responsible for finding alternative housing.

Vacuum Cleaners

Vacuum cleaners are provided for use in each residence hall.

Walls and Ceiling

When hanging decor in your room, nothing (nails, prongs, etc.) may be driven into the walls or ceiling. White plastic-tac and/or Command® brand hooks may be used and must be removed and cleaned from the walls when you leave. Removal of such items by OCC staff will result in a charge against your room deposit.

No items should be attached to any of the wood in your room (doors, closets, shelves, etc.). No contact paper may be used for decorating.

Questionable room decor will be subject to the approval of the RD.

Work Passes

If your employer requires you to work past curfew, Employment pass form must be on file in Student Life.

RIGHTS AND PRIVACY STATEMENT

The purpose of FERPA is to protect the privacy of individual students and their records and provides guidelines for the correction of inaccurate or misleading information. A complete FERPA explanation is in the OCC catalog.

Please refer to the Grievance Policy outlined in this handbook.

STUDENT CONCERNS

It is the desire of the faculty, staff, and administration that the community environment be conducive to student's academic and personal growth. Therefore, input from students is greatly encouraged. Students are encouraged to submit their specific suggestions, concerns, or complaints regarding their experience at OCC. These suggestions can be submitted to the Dean of Students by completing the "Student Concerns Form", available at <http://OCC.edu/StudentConcerns> or in Student Life located in the Casteel Administration Building. Students may also choose to voice their concerns directly to the appropriate individuals either in writing or in person.

DISCLOSURE TO VICTIM POLICY

It is our policy upon written request, to disclose to the alleged victim of a crime of violence or a nonforcible sex offense, or to the alleged victim's next of kin (if the victim dies as a result of the crime or offense), the final results of any institutional disciplinary proceeding dealing with that crime or offense. Currently, such disclosures are optional under the Family Educational Rights and Privacy Act (FERPA).
