**LOVE LANGUAGES PERSONAL PROFILE**

**To Get Started:**
Below you will see 30 paired statements. Please circle the letter next to the statement that best defines what is most meaningful to you in your relationship. Both statements may (or may not) sound like they fit your situation, but please choose the statement that captures the essence of what is most meaningful to you, the majority of the time. Allow 10 to 15 minutes to complete the profile. Take it when you are relaxed, and try not to rush through it.

**Which love language received the highest score?**  
This is your primary love language. If point totals for two love languages are equal, you are “bilingual” and have two primary love languages. And, if you have a secondary love language, or one that is close in score to your primary love language, this means that both expressions of love are important to you. The highest possible score for any single love language is 12.
