

Community Christian Church – Ft. Lauderdale, FL Campus Pastor – Pompano Beach, FL

Community Christian Church (Community) is a thriving church that exists to lead people into a growing relationship with Jesus Christ. Our original campus, where we've been gathering since 2007, is located in Tamarac, west of Ft. Lauderdale in the greater Miami/Ft. Lauderdale metro area. In early 2021 we completed construction of a brand new NextGen Building at our Tamarac campus for our preschool, elementary, middle and high school students and the renovation of our Auditorium Building, bringing our total worship service seating capacity to approximately 2,000. In January 2021 we opened our first multi-site campus in Pompano Beach, FL, approximately 30 minutes from our Tamarac campus. Renovation of the Pompano Beach campus is planned for the fall of 2021.

Pre-COVID we had weekly in-person worship service attendance around 3,500 with over 85 nations of origin represented. Throughout the pandemic our in-person and online worship attendance as well as our finances have remained strong.

We are an incredibly diverse church that we believe looks a lot like heaven when we come together. Our worship is engaging, our teaching biblical & relevant, and we have a heart for God and His people.
