About CCC

Community is a thriving, growing church that exists to lead people into a growing relationship with Jesus Christ. We are located west of Ft. Lauderdale in the greater Miami/Ft. Lauderdale metro area. We've been at our current campus since 2007 and just broke ground on a new building for our preschool, elementary, middle and high school students to open in the summer of 2020.

We have around 3,500 worship with us each week and out of those over 85 nations are represented. We are an incredibly diverse church that we believe looks a lot like heaven when we come together. Our worship is engaging, our teaching biblical & relevant, and we have a heart for God and His people.

Out of the 3,500 worshipping with us every week, over 500 of them are in our KIDZ ministry. On average we invest in about 215 preschoolers and 300 elementary kids each weekend.
