

Announcement: Mission Catalyst DFW Initiative

Global City Mission Initiative (GCMI) is launching a new mission initiative in Dallas-Ft. Worth. As an initial step, we have formed a partnership with a church in Dallas to sponsor a missionary catalyst. Global City Mission is accepting applications for a cross-cultural missionary with an evangelistic emphasis on diaspora communities in DFW.

Global City Mission is a disciple-making ministry focused specifically on evangelism in global cities. In order to effectively advance disciple-making in urban settings, we focus on these three areas of ministry:

- Evangelism & church planting
- Training local believers to reach their communities
- Providing equipping & training for established churches

We are seeking a candidate who will function as a Mission Catalyst reaching immigrant communities in DFW and help facilitate the development of a team initiative in the DFW metro area. This role will include the following.

Ministry

- Self-initiate ethnographic learning and discovering strategic inroads into specific context(s).
- Intentionally & personally initiate cross-cultural evangelism.
- Apply multiplication strategies, planting *discovery bible studies & simple church* communities, forming disciples who in turn disciple others, and developing *indigenous* leadership.
- Working in immigrant/international communities, be attentive to opportunities for evangelistic engagement or leadership development in the homelands of international friends.
- Train & mobilize local believers in evangelism and to start discovery groups in their communities.
- Select a missionary care team (individuals outside of GCMI) for personal care & accountability.

Team

- Help develop a team effort in the DFW area.
- Help determine effective team rhythms for the DFW context, and participate in all GCMI team rhythms & activities.
- Coordinate team meetings and activities.
- Pursue alignment with GCMI Philosophy of ministry.
- Work with GCMI leadership to nurture a synergistic team climate.

Organization

- Coordinating with GCMI leadership, help facilitate the growth & development of the DFW initiative.
- Share monthly ministry updates and participate in annual review with executive director.

- Function as a liaison with partnering church(es).
- Communicate potential partnership opportunities with Global City Mission leadership.
- As needed, participate in GCMI events & activities.
- Participate in GCMI missionary mobilization.
- Participate in inter-city discussions in order to promote cross-training and ongoing collaboration.

Qualities & Characteristics

- Mission Catalysts practice strong self-leadership. They should be self-initiating and self-managing in day-to-day ministry.
- Mission Catalysts should be learners. GCMI will provide training & guidance, and we also encourage individuals to continue learning, pioneering, and sharing new discoveries with the larger GCMI team.
- Mission Catalysts should have alignment with the GCMI Philosophy of Ministry.
- Mission Catalysts should be committed to prayer and to their own spiritual health.
- We are seeking someone with at least 4 years of ministry experience, especially in cross-cultural contexts.
- The sponsoring church for this role desires to partner with a missionary who practices baptism by immersion as an important component of disciple-making and who appreciates the congregational structure reflective of Stone-Campbell traditions.

To request an application, e-mail resume to Dr. Jared Looney at jaredlooney@globalcitymission.org.
