

Heartland Community Church
Leadership Training Project (LTP)
Summer 2022

We're passionate about building relationships and making Jesus first. That's what we want to do this summer with YOU! We want to make space to equip you, the college student, to be a leader in the church. Whether you are considering a career in full-time ministry or you're looking to deepen your leadership experience, this internship will equip you for a life of impact for Christ.

Our interns work closely with our staff, discipling students, and learning how to be a healthy leader in today's world. Our hope for our interns is that they will grow in confidence and their unique abilities to lead and disciple students. This internship will be packed with student ministry experiences. Whether it's around a firepit, a movie night, or van ride home from camp, we know that this summer will prepare you for whatever's next.
