

Residency @ One Church

Why a Residency...

Our desire is to have young men and women work alongside us at One Church gaining ministry experience in the most unchurched states in country. We want you to get in the game and see if God is calling you to be a part of reaching the most unchurched here in New England.

We are excited to offer an 11-month residency program. This residency program provides you the opportunity to learn from other ministry leaders, have hands on experience, and be able to use your gifts to share God's love with many. Designed for young leaders who have graduated from college or those in their late 20's who have a heart for the unchurched and want to grow in their leadership. Our program offers a variety of ministry pathways ranging from students, children, worship, connections, communication, production, church planting and more.

In Matthew 9:35-38

³⁵ Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness. ³⁶ When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. ³⁷ Then he said to his disciples, "The harvest is plentiful, but the workers are few. ³⁸ Ask the Lord of the harvest, therefore, to send out workers into his harvest field." - Matthew 9:35-38

New England needs more kingdom workers like you.

As the Church, our mission is to reach the most people in the shortest time.

Will you join us in praying for one? "God, please give me one to share your love with."

For each resident we provide...

- Housing (with all utilities covered)
- A weekly stipend of \$300
- Hands on experience in any area you are passionate about
