BRIDGES

Is an online, 8-week training program of The Friends of Israel Gospel Ministry that equips Christians to build relationships between the Christian and Jewish communities by serving the Jewish people, supporting the State of Israel, and sharing the love of the Messiah.

ORIGINS

More than a tour, ORIGINS is a life changing experience in the land of Israel for young adults between the ages of 18 to 28. It is a ministry trip where Christian young adults go to Israel to serve the Jewish people by volunteering for two weeks at a local Jewish hospital and to tour the land of Israel. Team members establish lasting friendships, experience first hand contact with Israelis, explore their biblical roots and expand their faith and support of Israel.

If you are interested in finding out more about these opportunities, please contact us and we will be sure to provide additional detail and answer any questions you might have. Thank you for your interest and your Friendship.
