

Residency Program Director

 Manchester, NH Area - Full Time

About The Position

This position reports to the Executive Pastor. The position is a full time 40 + hours per week.

Did you ever think God could use your talent at a church? We might not see how that's possible, but God doesn't work within our parameters. He creates opportunities we never could have imagined, but it's up to us to embrace His plan. Your God-given skills and passion to serve Him could intersect right here, right now. When you bring your skills to Manchester Christian Church there's no telling where God could take your future.

You Are:

- Passionate about connecting people to God, People and the Mission
- Praying for One daily
- Striving toward our mission of more people in the kingdom of heaven in the shortest time
- Willing to do whatever it takes to make our team successful

You Will Be:

- Recruiting interviewing and hiring residents in conjunction with the appropriate staff at MCC.
- Developing and planning a leadership curriculum each year for the residents to go through in their classroom time each week.
- Evaluating the effectiveness of the resources used.
- Broadening scope of topics and exposure to different areas of ministry.
- Scheduling and conducting consistent evaluations with each resident as well as their direct reports
- Working with residents to help them find placement at the end of their residency.
- Developing contacts with Bible colleges to create the pipeline of applicants

You Have:

- Passion for developing leaders.
- High moral and spiritual integrity.
- Effective communication both written and verbally.
- A committed, growing, personal relationship with Jesus Christ and have a teachable spirit.
- Experience leading leaders, programs and projects.

Staff Responsibilities:

- Recruit, train and develop participants of the residency program
- Communicate promptly and regularly with applicants and participants of the residency program.
- Lead out in planning monthly church visits and selecting leadership resources and speakers to fill the weekly leadership development time.
- Check in regularly with residents and direct reports to evaluate the effectiveness of the resident's placement and progress
- Attend conferences as needed to recruit and be a representative of MCC
