### Ozark Christian College – Campus Host

Aug. 2015 – Current

As a part of the Admissions Department at Ozark I recruit for the college by giving guided tours of our campus, traveling to high schools, conventions and college fairs to talk to students and parents about the college. This position has given me the opportunity to enhance my communication skills through one on one communication, public speaking, and written communication.

### Ozark Christian College – Camp Teams

Summer of 2015 and 2016

This was a unique opportunity that allowed me to travel with a group of three peers where we went to various summer camps and recruited for our college. I worked with a team to teach lessons, lead games, give presentations, lead small groups, interact with youth of all ages, and be available for any job we were needed for. This job gave me valuable ministry experience in youth ministry and camp ministry.

### Wonder Valley Christian Camp – Summer Staff

May – Aug. of 2014

As summer staff I had many different roles. I did everything from kitchen work to mowing to leading group games to lifeguarding. I worked with a summer team comprised of peers and employers who pushed me to work with excellence.
