

Tri-Village Position Description

Title: Worship Pastor (Full-time)

Reports to: Executive Pastor

To Apply:

- 1) Read through the Job Description**
- 2) Submit a cover letter, resume, worship leading videos, and any video examples to DavidBrown@tri-village.org**

Position Description

The Worship Pastor is responsible for coordinating all elements related to Sunday services, special services, and creative projects as the church seeks to “Connect All People to Jesus and One Another.”

Responsibilities

General:

- Oversee both current and future creative arts staffing, volunteers, and teams
- Communicate service details with worship staff, leaders, and teams involved
- Actively recruit new volunteers and leaders for all arts ministry areas
- Have worship music, creative elements, and teams scheduled 3-4 weeks in advance using Planning Center Online
- Constantly be evaluating and researching new ways in which to fulfill the mission
- Develop a worship planning team that could assist in reviewing and planning of services

Music:

- Serve as the worship leader on a regular basis and be willing to raise up other worship leaders; coordinate worship practices
- Oversee recruitment and screening process of new vocalists and instrumentalists
- Prepare music loops/clicks as needed or willing to learn; the team currently uses Loop Community’s Prime app
- Input song lyrics and service orders into computer for services or raise up someone who can

Audio:

- Meet regularly with Tech Director and Broadcast Audio Engineer on reviewing services

Lighting & Stage Design:

- Meet regularly with Lighting Team Leader to ensure quality related to service design
- Work with Visual Arts Team Leader to help plan sermon series stage design throughout the year

Video:

- Coordinate video announcements/editing, baptism testimonies, and life-change stories with video ministry team; edit videos as needed
- Work with Tech Director on recruiting camera operators and service producers

Graphic Design:

- Assist staff and ministry leaders as needed on various graphic arts needs such as sermon series graphics/templates, ministry ads, posters, and publications; this may entail building a team

Expectations

- View the position as pastoral before artistic
- High standard excellence in all areas
- Enjoy building a team and being around people from different generations
- Self-starter; take initiative in creating new endeavors
- Develop the team spiritually and grow the team numerically
- Ability to play at least one instrument
- Quick to respond to emails, phone calls, and follow-up as needed
- Work with staff and team leaders on annual creative arts/worship budget planning
- At least two years of experience leading worship (would consider church residency experience)
- Minimum of an undergraduate degree
- Meet regularly with Executive Pastor for monthly meetings and Senior Pastor as needed
- You (and your spouse if married) in doctrinal agreement with the church and willing to place membership upon hire

About Tri-Village Christian Church (tri-village.org)

Tri-Village is a multi-generational church located 20 miles east of Columbus, Ohio that offers three identical services on Sunday mornings (8:30, 9:50, & 11:10am). Typical services last about an hour and include communion every week. Worship style is a mix of modern worship music including Vertical Church, Hillsong, Bethel, Elevation, Tomlin, Phil Wickham, Keith/Kristyn Getty, and People & Songs.
